

30th Annual Roundup for Autism Fact Sheet September 7-8, 2018

BENEFITTING:

The *Roundup for Autism* was founded in 1988 by Bobby Norris in honor of his daughter and is one of Texas' largest fundraisers for autism. This renowned event is designed to raise funds for the Autism Treatment Centers of Texas (ATC), a private, nonprofit, 501(c)(3) corporation that serves both children and adults with autism, and those who are multi-handicapped. ATC provides services 24 hours a day, 365 days a year. Services include diagnostic, research, residential, educational, training, therapeutic, and occupational opportunities. We look forward to seeing you at this celebrated event!

Autism is the most widely diagnosed developmental disability in the nation, affecting approximately 1 in 59 children. Autism is more common than the sum of all childhood cancers, muscular dystrophy, juvenile diabetes and cystic fibrosis combined. ATC is striving to meet the needs of these children and to give hope and inspiration to their families by expanding existing and incorporating new services.
